

ATTEND COLLEGE IN YOUR OWN COMMUNITY!

Learn how you can train
for a great career during
our **OPEN HOUSE**
Watkins Community Center
July 11, 2-6 pm

Beginning Fall 2013

Tri-County Technical College is offering college courses at the Watkins Center that can put you on a pathway to an exciting career in healthcare or help you get a jumpstart on your college career locally (and more affordably) before transferring to a four-year university to study any number of fields.

Come to the open house to find out how to begin your college career, use Career Coach to find current local data on wages, employment, job postings, and associated education and training.

Enrollment and Financial Aid experts will be on-hand to assist you as well.

Questions?
Call 646-1550.
