

Request to Exceed Maximum Credit Hour Load

A student may enroll in, at most, eighteen credit hours in either the fall or spring semester unless specific approval is given by the student's academic advisor, or unless the program credit hour requirement published in the program guide exceeds eighteen credit hours for the given semester. In the case of summer term any student whose program of study is in the Arts and Sciences Division or in the Business and Public Services Division may enroll in at most fifteen credit hours unless specific approval is given by the student's academic advisor, or unless the program credit hour requirement published in the curriculum guide exceeds fifteen credit hours.
